

PROJECT Carmel Link Update
Connecting Carmel to the Future

Find your 2008 detour route now.
Access to Keystone and cross traffic
at Keystone and 99th, 106th & 126th Streets
to close on or about **Tuesday, May 27th**.

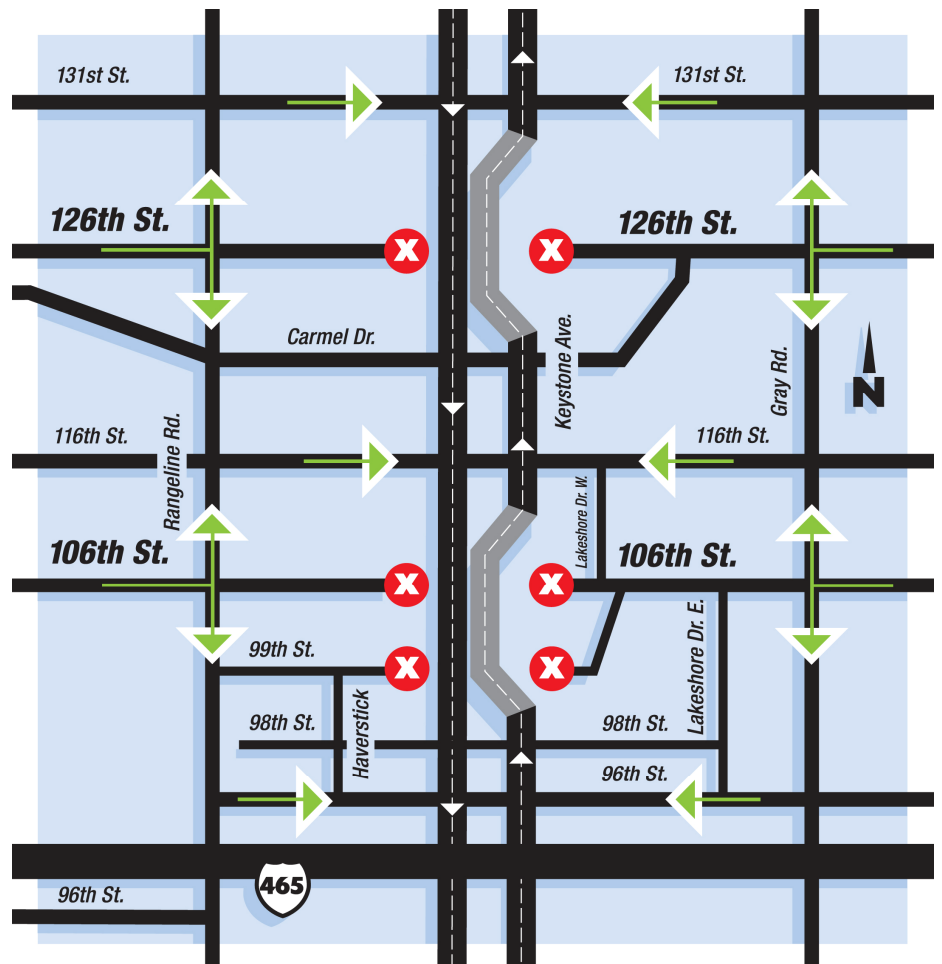

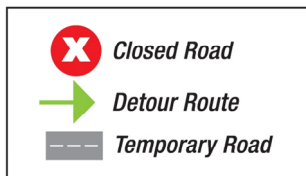

The Keystone reconstruction project is well underway and we are nearing one of the most challenging portions of the project, the closing of access to Keystone and to cross traffic at 99th, 106th & 126th Streets.

We have been working closely with the Carmel Clay Schools transportation center to make sure they are aware of this change. However, we also want to inform the parents and students of the detour routes.

These road closures will be in place until December 1, 2008.
